The former Marine who phoned me on the Joe Dolan Show on 10/19/95
Oakland, CA KNEW 12/66, as I reported in Oswaldin New Orleans

Hal Verb, more or less by the accident of them having the same barber, thinks he learned the identity of that man. The barber says he is dead.

Hal Believes is was Fred Mesiwinkel, who lived on Turk Avenue in San Francisco.

He is going to phone the family and see if this was that Marine and if he told his family anything or left any papers with info. on them.

I did check out what he told me as soon as I could and all I could check did dtack.
